

SAVILLE Marion Doctor

**MB ChB, Am Bd (Anat Path & Cytopath), FIAC, Grad Dip Med (Clin Epi)
Executive Director - Victorian Cytology Service**

Dr Saville was appointed Director of VCS in July 2000. She is a New Zealand medical graduate who trained in cytopathology and histopathology in the United States. She is a Fellow of the International Academy of Cytology and serves on the Membership Committee of the Academy.

Dr Saville's special interest is in cervical screening policy and planning and she has completed a Graduate Diploma in Clinical Epidemiology at the University of Sydney in 1998. Dr Saville serves on a number of advisory committees including the Policy and New Technologies subcommittee of the Australian Screening Advisory Committee (ASAC). She was a member of the National Health and Medical Research Committee (NHMRC), chairing the terminology working group.

In 2007 Dr Saville was offered and accepted the title of an Honorary Clinical Associate Professor in the Department of Obstetrics and Gynaecology at the Royal Women's Hospital and Mercy Hospitals.
